Re: New Ventures LLC Standby Trust Account No. 00837005453
Instruction to Make Payment Pursuant to the Corrective Action Standby Trust Agreement

Dear Mr. Archambault:

Pursuant to Paragraph 6 of the Corrective Action Standby Trust Agreement dated October 20, 2003 ("Trust Agreement") and as amended on October 8, 2009 and October 28, 2009, entered between New Ventures Associates, LLC ("New Ventures") and River Bank ("Bank"), as Trustee, for the benefit of the Massachusetts Department of Environmental Protection ("MassDEP" or the "Department"), MassDEP hereby instructs and directs the Bank to pay to Recovery Drilling Services, LLC of Dudley, Massachusetts a total of Fifteen Thousand Eight Hundred and Ninety-Two Dollars (\$15,892.00) from the Trust Account.

Pursuant to the Memorandum of Agreement ("MOA") dated October 5, 2009, as amended on November 24, 2009, entered between New Ventures, MassDEP, and the Attorney General, Recovery Drilling Services, LLC conducted certain tasks that the Department deemed necessary to complete proper closure of the Crow Lane Landfill in Newburyport, Massachusetts. Recovery Drilling Services, LLC performed the tasks and submitted the following enclosed invoices to MassDEP:

Invoice Number	Date	Amount
228	9/29/2009	\$15,892.00

Total: \$15,892.00

In addition, pursuant to the MOA Recovery Drilling Services, LLC has submitted a Contractor's Certification of the work and SITEC Environmental of Marshfield, Massachusetts has reviewed and certified the work and invoices. MassDEP approves SITEC's certification and the invoices for payment in full.

Kindly send payment to:

MEMORANDUM

To:	Commonwealth of Massachusetts Department of Environmental Protection
Attn:	Richard Chalpin, Regional, Director
From:	Mike Quatromoni
Date:	December 22, 2009
Re:	Crow Lane Landfill Closure, Contractor Invoice Certification Recovery Drilling Services, LLC

This certification is being provided in accordance with 310 CMR 19.011 and the Memorandum of Agreement (MOA), dated October 5, 2009, between the Commonwealth of Massachusetts and New Ventures Associates, LLC. Please be advised that SITEC Environmental, Inc has reviewed Invoice No. 228, dated 9/20/09 from Recovery Drilling Services, LLC for the drilling and installation of landfill gas extraction wells at the Crow Lane Landfill. Copies of this invoice and associated documents are attached. This work was conducted on September 16 and 17, 2009.

Also attached are the drilling /well installation logs for the three wells installed. The total depth drilled from the logs is 186 feet, which corresponds with the depth for which payment is requested on the invoice. The invoice also includes a Mobilization charge in the amount of \$2,500.00. SITEC oversaw the work described in the Contractor Certification and certifies that the work described therein has been completed as required by the Final Corrective Action Design Plan.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this document and all attachments and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the information is true, accurate and complete. I am aware that there are significant penalties both civil and criminal for submitting false information including possible fines and imprisonment.

CERTIFICATION OF WORK AND REQUEST FOR PAYMENT

1. This Certification is contemplated by the Memorandum of Agreement ("Agreement") executed by and among the Commonwealth of Massachusetts, acting by and through the Attorney General and the Massachusetts Department of Environmental Protection (the "Department") and New Ventures Associates, LLC ("New Ventures") on [date], and is intended to secure the release of funds held at [Bank] and established pursuant to a Standby Trust Agreement established by and among New Ventures and Bank on October 20, 2003. All terms used in this Certification shall have the same meaning as they have in the Agreement.

2. The undersigned Contractor has incurred costs for the performance of closure activities (installation of FML, landfill gas extraction wells and/or blasting of Basin 1) described in the Agreement. These activities were performed on the following date(s) for performance of the work indicated:

Date(s)	Nature of work performed	Itemized Costs
---------	--------------------------	----------------

3. The foregoing costs are itemized in the documentation (signed invoices, etc.) attached hereto.

4. The foregoing costs do not include any of the following: (a) fees, charges, or costs related to services of attorneys; or (b) fees, charges, or costs of any work, service or task performed by any director, officer, principal, employee or servant of New Ventures, Wood Waste of Boston, LLC, or William Thibault.

5. I hereby certify that the above-specified work in the amount(s) indicated below was performed as described herein.
